LIFE AT THE COTTAGE

Use of equipment

Picture windows

Opening:

1. Lower the handle to the right: the window is positioned in a tilt-and-turn position;
2. Lower the handle and pull towards you;
3. Slide the picture window to the right.

Closing:

1. Slide the picture window to the left until it clicks into place by tilting and turning;
2. Pull up the handle to lock the picture window.

Do not clip the picture window from the outside at the risk of being stuck.

LIFE AT THE COTTAGE

Electric plancha

Connection: 2 electrical outlets are available on either side of the house.

Cleaning:

- To clean the plancha, pour cold water on the hot plate just after cooking in order to loosen the residues, then use the spatula provided.
- Once cooled, clean the plate with soapy water.

Keep the plancha away from walls and windows to avoid splashes of grease.

Please do not use the plancha under the pergola.

LIFE AT THE COTTAGE

Pool shelter

1. Lower the latch of the small door;
2. Slide the door to the right;
3. Lower the interior latch;
4. Tilt the entire panel by pulling the bottom towards you and pushing the top back, while lifting the assembly;
5. Lock the interior safety latch to prevent the panel from falling down;
6. Remove the screws;
7. Push the shelter (ideally 2 people).

To close, repeat the operations in reverse, taking care to align the screw holes correctly.

TIP: closing the shelter at night keeps the water temperature.

LIFE AT THE COTTAGE
